

CONFLICT MINERAL SOURCING POLICY

In response to the violence and human rights in the mines from the conflict regions (Congo and its neighboring countries), the US Securities and Exchange Commission (SEC) has adopted rules for implement reporting and disclosure requirements related to conflict minerals.

These minerals (gold, tin, tantalum, tungsten and their derivatives) that are classified as conflict materials regardless of where they sourced, processed or sold.

Elcon AB is aware of the rules regarding sourcing of products containing conflict minerals and are handling the sourcing of product in a documented manner to ensure that conflict minerals not purchased from vendors dealing with country's within the conflict zone
